5. Assignment; Successors

The Contractor binds its successors and assignees to all the terms and conditions of this Contract. The Contractor shall not assign or subcontract the whole or any part of this Contract without the State's prior written consent. The Contractor may assign its right to receive payments to such third parties as the Contractor may desire without the prior written consent of the State, provided that the Contractor gives written notice (including evidence of such assignment) to the State thirty (30) days in advance of any payment so assigned. The assignment shall cover all unpaid amounts under this Contract and shall not be made to more than one party.

6. Assignment of Antitrust Claims

As part of the consideration for the award of this Contract, the Contractor assigns to the State all right, title, and interest in and to any claims the Contractor now has, or may acquire, under state or federal antitrust laws relating to the products or services which are the subject of this Contract.

The Contractor is responsible for ensuring that the audit and any management letters are completed and forwarded to the State in accordance with the terms of this Contract. Audits conducted pursuant to this paragraph must be submitted no later than nine (9) months following the close of the Contractor's fiscal year. The Contractor agrees to provide the Indiana State Board of Accounts and the State an original of all financial and compliance audits. The

audit shall be an audit of the actual entity, or distinct portion thereof that is the Contractor, and not of a parent, member, or subsidiary corporation of the Contractor, except to the extent such an expanded audit may be determined by the Indiana State Board of Accounts or the State to be in the best interests of the State. The audit shall include a statement from the Auditor that the Auditor has reviewed this Contract and that the Contractor is not out of compliance with the financial aspects of this Contract.

The Contractor shall not commence any additional work or change the scope of the work until authorized in writing by the State. The Contractor shall make no claim for additional compensation in the absence of a prior written approval and amendment executed by all signatories hereto. This Contract may only be amended, supplemented or modified by a written document executed in the same manner as this Contract.

10. Compliance with Laws

- A. The Contractor shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment or modification of any applicable state or federal statute or the promulgation of rules or regulations thereunder after execution of this Contract shall be reviewed by the State and the Contractor to determine whether the provisions of this Contract require formal modification.

If the Contractor has knowledge, or would have acquired knowledge with reasonable inquiry, that a state officer, employee, or special state appointee, as those terms are defined in IC 4-2-6-1, has a financial interest in the Contract, the Contractor shall ensure compliance with the disclosure requirements in IC 4-2-6-10.5 prior to the execution of this contract. If the Contractor is not familiar with these ethical requirements, the Contractor should refer any questions to the Indiana State Ethics Commission, or visit the Inspector General's website at <http://www.in.gov/ig/>. If the Contractor or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Contract immediately upon notice to the Contractor. In addition, the Contractor may be subject to penalties under IC §§4-2-6, 4-2-7, 35-44.1-1-4, and under any other applicable laws.
- C. The Contractor certifies by entering into this Contract that neither it nor its principal(s) is presently in arrears in payment of taxes, permit fees or other statutory, regulatory or judicially required payments to the State of Indiana. The Contractor agrees that any payments currently due to the State of Indiana may be withheld from payments due to the Contractor. Additionally, further work or payments may be withheld, delayed, or denied and/or this Contract suspended until the Contractor is current in its payments and has submitted proof of such payment to the State.

- D. The Contractor warrants that it has no current, pending or outstanding criminal, civil, or enforcement actions initiated by the State, and agrees that it will immediately notify the State of any such actions. During the term of such actions, the Contractor agrees that the State may delay, withhold, or deny work under any supplement, amendment, change order or other contractual device issued pursuant to this Contract.
- E. If a valid dispute exists as to the Contractor's liability or guilt in any action initiated by the State or its agencies, and the State decides to delay, withhold, or deny work to the Contractor, the Contractor may request that it be allowed to continue, or receive work, without delay. The Contractor must submit, in writing, a request for review to the Indiana Department of Administration (IDOA) following the procedures for disputes outlined herein. A determination by IDOA shall be binding on the parties. Any payments that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest, except as permitted by IC §5-17-5.
- F. The Contractor warrants that the Contractor and its subcontractors, if any, shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so may be deemed a material breach of this Contract and grounds for immediate termination and denial of further work with the State.
- G. The Contractor affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.
- H. As required by IC §5-22-3-7:

 - (iii) IC §24-5-14 [Regulation of Automatic Dialing Machines]; in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
 - (B) The Contractor will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.
 - 2. The Contractor and any principals of the Contractor certify that an affiliate or principal of the Contractor and any agent acting on behalf of the Contractor or on behalf of an affiliate or principal of the Contractor, except for de minimis and nonsystematic violations,
 - (A) has not violated the terms of IC §24-4.7 in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
 - (B) will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.

11. Condition of Payment

All services provided by the Contractor under this Contract must be performed to the State's reasonable satisfaction, as determined at the discretion of the undersigned State representative and in accordance with all applicable federal, state, local laws, ordinances, rules and regulations.

The State shall not be required to pay for work found to be unsatisfactory, inconsistent with this Contract or performed in violation of any federal, state or local statute, ordinance, rule or regulation.

12. Confidentiality of State Information.

The Contractor understands and agrees that data, materials, and information disclosed to the Contractor may contain confidential and protected information. The Contractor covenants that data, material and information gathered, based upon or disclosed to the Contractor for the purpose of this Contract, will not be disclosed to or discussed with third parties without the prior written consent of the State.

The parties acknowledge that the services to be performed by Contractor for the State under this contract may require or allow access to data, materials, and information containing Social Security numbers maintained by the State in its computer system or other records. In addition to the covenant made above in this section and pursuant to 10 IAC 5-3-1(4), the Contractor and the State agree to comply with the provisions of IC 4-1-10 and IC 4-1-11. If any Social Security number(s) is/are disclosed by Contractor, Contractor agrees to pay the cost of the notice of disclosure of a breach of the security of the system in addition to any other claims and expenses for which it is liable under the terms of this contract.

13. Continuity of Services - Deleted

14. Debarment and Suspension

- A. The Contractor certifies by entering into this Contract that neither it nor its principals nor any of its subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Contract means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Contractor.
- B. The Contractor certifies that it has verified the state and federal suspension and debarment status for all subcontractors receiving funds under this Contract and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred subcontractor. The Contractor shall immediately notify the State if any subcontractor becomes debarred or suspended, and shall, at the State's request, take all steps required by the State to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.
- C. The undersigned also certifies that it and its principals:
 - 1. have not within a three year-period preceding this certification been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - 2. are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local); and

3. have not within a three-year period preceding this certification had one or more public transactions (federal, state or local) terminated for cause or default.

15. Default by State

If the State, sixty (60) days after receipt of written notice, fails to correct or cure any material breach of this Contract, the Contractor may cancel and terminate this Contract and institute measures to collect monies due up to and including the date of termination.

16. Disputes

- A. Should any disputes arise with respect to this Contract, the Contractor and the State agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- B. The Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Should the Contractor fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the State or the Contractor as a result of such failure to proceed shall be borne by the Contractor, and the Contractor shall make no claim against the State for such costs.
- C. If the parties are unable to resolve a contract dispute between them after good faith attempts to do so, a dissatisfied party shall submit the dispute to the Commissioner of the Indiana Department of Administration for resolution. The dissatisfied party shall give written notice to the Commissioner and the other party. The notice shall include (1) a description of the disputed issues, (2) the efforts made to resolve the dispute, and (3) a proposed resolution. The Commissioner shall promptly issue a Notice setting out documents and materials to be submitted to the Commissioner in order to resolve the dispute; the Notice may also afford the parties the opportunity to make presentations and enter into further negotiations. Within 30 business days of the conclusion of the final presentations, the Commissioner shall issue a written decision and furnish it to both parties. The Commissioner's decision shall be the final and conclusive administrative decision unless either party serves on the Commissioner and the other party, within ten business days after receipt of the Commissioner's decision, a written request for reconsideration and modification of the written decision. If the Commissioner does not modify the written decision within 30 business days, either party may take such other action helpful to resolving the dispute, including submitting the dispute to an Indiana court of competent jurisdiction. If the parties accept the Commissioner's decision, it may be memorialized as a written Amendment to this Contract if appropriate.
- D. The State may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the State to the Contractor of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for the Contractor to terminate this Contract, and the Contractor may bring suit to collect these amounts without following the disputes procedure contained herein.
- E. With the written approval of the Commissioner of the Indiana Department of Administration, the parties may agree to forego the process described in subdivision C. relating to submission of the dispute to the Commissioner.

- F. This paragraph shall not be construed to abrogate provisions of Ind. Code 4-6-2-11 in situations where dispute resolution efforts lead to a compromise of claims in favor of the State as described in that statute. In particular, releases or settlement agreements involving releases of legal claims or potential legal claims of the state should be processed consistent with Ind. Code 4-6-2-11, which requires approval of the Governor and Attorney General.

17. Drug-Free Workplace Certification

As required by Executive Order No. 90-5 dated April 12, 1990, issued by the Governor of Indiana, the Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The Contractor will give written notice to the State within ten (10) days after receiving actual notice that the Contractor, or an employee of the Contractor in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the State for up to three (3) years.

In addition to the provisions of the above paragraph, if the total amount set forth in this Contract is in excess of \$25,000.00, the Contractor certifies and agrees that it will provide a drug-free workplace by:

- B. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the Contractor's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
- C. Notifying all employees in the statement required by subparagraph (A) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the Contractor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- D. Notifying the State in writing within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction;
- E. Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation

The Contractor is not required to participate should the E-Verify program cease to exist. Additionally, the Contractor is not required to participate if the Contractor is self-employed and does not employ any employees.
- B. The Contractor shall not knowingly employ or contract with an unauthorized alien. The Contractor shall not retain an employee or contract with a person that the Contractor subsequently learns is an unauthorized alien.
- C. The Contractor shall require his/her/its subcontractors, who perform work under this Contract, to certify to the Contractor that the subcontractor does not knowingly employ or contract with an unauthorized alien and that the subcontractor has enrolled and is participating in the E-Verify program. The Contractor agrees to maintain this certification throughout the duration of the term of a contract with a subcontractor.

20. Force Majeure

In the event that either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a "Force Majeure Event"), the party who has been so affected shall immediately or as soon as is reasonably possible under the circumstances give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.

The purpose of the negotiations shall be to revise the Contract so that the affected party can comply and/or act in accordance with such Final HIPAA regulations, or amendment or judicial or administrative interpretation thereof and avoid or mitigate such prohibition, restriction, limitation or material and adverse effect. If the parties fail to agree to such revisions within forty-five (45) days after written notice from the affected party requesting negotiations under this paragraph, this Contract shall terminate. If so terminated, the Contractor shall return or destroy all protected health information received from, created or received by the Contractor on behalf of the State. The Contractor shall retain no copies of such information in any form if feasible. If not feasible, the Contractor bears the responsibility of ensuring that the protected health information is maintained in a secure and confidential manner.

24. Indemnification

The Contractor agrees to indemnify, defend, and hold harmless the State, its agents, officials, and employees from all third party claims and suits including court costs, attorney's fees, and other expenses caused by any act or omission of the Contractor and/or its subcontractors, if any, in the performance of this Contract. The State shall not provide such indemnification to the Contractor.

25. Independent Contractor; Workers' Compensation Insurance

The Contractor is performing as an independent entity under this Contract. No part of this Contract shall be construed to represent the creation of an employment, agency, partnership or joint venture agreement between the parties. Neither party will assume liability for any injury (including death) to any persons, or damage to any property, arising out of the acts or omissions of the agents, employees or subcontractors of the other party. The Contractor shall provide all necessary unemployment and workers' compensation insurance for the Contractor's employees,

 - 1. Commercial general liability, including contractual coverage, and products or completed operations coverage (if applicable), with minimum liability limits not less than \$1,000,000 per occurrence and \$2,000,000 aggregate liability coverage unless additional coverage is required by the State. set forth above. The duty to indemnify the State under this Contract shall not be limited by the insurance required in this Contract.

4. The insurance required in this Contract, through a policy or endorsement(s), shall include a provision that the policy and endorsements may not be canceled or modified without thirty (30) days' prior written notice to the undersigned State agency.

Program Description and Work Plan

INTRODUCTION

Real Alternatives is a national, private, tax-exempt, non-profit corporation pursuant to Section 501(c) (3) of the Internal Revenue Code. The government funding received by Real Alternatives from the State of Indiana enables Real Alternatives to provide free, caring, confidential and comprehensive pregnancy support, parenting and adoption education services that encourage a decision of childbirth instead of abortion, to women and their families who are experiencing unexpected pregnancies. These services are directly provided through a network of vendor service providers comprised of social service agencies, pregnancy support centers, maternity homes and adoption agencies. Real Alternatives analyzes and inspects the service providers' operations to assess their qualifications for providing core pregnancy and parenting support services. Assistance during and after the parenting and adoption decision involves counseling, education, material assistance, and referrals. The outcome goals of this pregnancy and parenting support program will be that women facing crisis/unexpected pregnancies in the state of Indiana will be aware of this comprehensive program, they will receive support, will have improved parenting skills, and will receive adoption education. This program in turn will have a lowering impact on the Indiana Abortion Choice Percentage (see exhibit 1 in the appendices), and be a factor in reducing medical costs, improving women's health, and obtaining overall long-term savings for the taxpayers of Indiana.

- be physically and financially separate from any entity that advocates for abortion, performs abortions, counsels women to have abortions, or refers women for abortion
- provide core services consisting of information and counseling that promotes childbirth instead of abortion and assists pregnant women in their decision regarding adoption or parenting
- understand that the funding for alternative to abortion services under this program does not include funding for the provision, referral, or advocacy of contraceptive services, drugs, or devices
- are nondiscriminatory
- agree not to promote religion during government-funded contract services
- have been in operation a minimum of one year providing core alternative to abortion crisis intervention services to women in a crisis/unexpected pregnancy
- serve low-income clients
- do not charge a fee for program services to eligible clients
- provide a physical site that is handicapped accessible, or that they have the capability to make special provisions to provide program services to persons with disabilities.

Based upon their response to the minimum requirements evaluation, a potential vendor service provider is required to submit a binder of backup documents for review by Real Alternatives. Such documents include at a minimum:

- proof of IRS 501(c)(3) tax-exempt status with federal tax number
- a copy of the Corporate Articles of Incorporation and Amendments filed with the Secretary of State
- a copy of the Bylaws of the Corporation
- policy and procedures manual that include a confidentiality policy
- board of directors or equivalent governing body
- counseling training materials
- proof of general liability insurance for sites where services are rendered, as well as automobile and workers compensation insurance.

All material will be reviewed and if the program criteria are met, a visual inspection of the site is arranged and observed. Upon completion of the visual site inspection, a written evaluation is completed along with the Evaluator's recommendation. The Vice President of Operations then reviews all documents and makes a recommendation to the President & CEO. If the President & CEO approves the potential vendor service provider, then ISDH will be informed. An agreement will be offered to the new potential vendor service provider.

Real Alternatives estimates it will contract with between 17- 30 total pro-life vendor service provider sites located throughout Indiana to serve women in need.

Service Provider Training and Monitoring

Upon successful completion of the approval process, the vendor service provider's personnel and volunteers are trained on program compliance. Real Alternatives will accelerate the training through the use of the Real Alternatives Program and Instructional Design (RAPID) Training Process. Vendor service providers are retrained every year on program requirements and compliance. In addition to annual training, each vendor service provider receives on-site and/or remote monitoring for program compliance annually. Monitoring reports on the vendor service provider's physical site, program compliance, and corporate changes will be prepared by Real Alternatives' staff, annotating deficiencies and corrective actions taken. The site monitoring reports will appear in the quarterly reports to ISDH.

Quality assurance of services is accomplished by Real Alternatives in multiple ways:

1. initially by the vendor service provider screening process and approval process, then
2. by the training process accomplished by Real Alternatives at counselor training, then
3. by having each counselor sign a certification statement of understanding of important program rules before the forms submitted by them are reimbursed in the system, and
4. finally by monitoring each vendor service provider for programming contract compliance once a year.

Those vendor service providers with multiple sites will have two or more site monitorings performed by the Real Alternatives.

Vendor Service Provider monitoring encompasses three parts. During the Corporate Administration and Program Profile Review, the following is reviewed:

- Review of policy and procedure manuals and documentation of Board of Directors approval (manuals include: Non-Discrimination Policy, Confidentiality Policy, Sexual Harassment Policy, Spiritual Issues Policy, Abortion/contraception Policy, internal client grievance procedures, Limited English Proficiency Policy, Adoption Policy);
- Review of counselor training plan, counseling skills training, training materials, assessment and ongoing training;
- Review of corporate documents (Mission statement, board of directors listing, articles of incorporation, by-Laws, non-profit status);
- Review of program operations (including, Client intake form, Client services, primary client referral sources, provider referral resource list, pregnancy test requirements, client educational materials, and staff/volunteer training procedures)

During the Facility Inspection, the following is inspected and/or reviewed:

- Facility waiting areas, counseling areas, lavatories, fire safety procedures and equipment,
- Literature, current counselor child abuse clearance, handicap accessibility, confidential handling of client files, service site website(s) and/or yellow page ads.

During the Reimbursement Compliance Review, the following is reviewed:

- Randomly selected client files for accuracy of billing.

Service Provider Reimbursement Method

In the area of vendor service provider reimbursement, service providers are reimbursed as vendors for the core and support services rendered to women on a “fee-for-service” type of arrangement. The minimum rates for reimbursement are \$1.09 per minute for counseling time and referral time; \$21.80 per class per client; \$10.90 per client self-administered pregnancy test kit, \$10.90 per food, clothing, and/or furniture pantry visits not to exceed four visits per pantry type; and, \$5.45 per online client data collection form. This performance driven reimbursement system rewards vendor service providers who take their program reimbursement and reinvest in their services by opening more centers and hiring more counselors to serve more women in need.

This approach results in the Indiana Pregnancy and Parenting Support Services Program maximizing focus and performance for the prime contractors and vendor service providers.

One confidential form is required for the billing system. The client fills out the form containing personal and demographic information and signs it to confirm a person was served that day of service. The form the client fills out allows each client to have the ability to register a complaint or comment at each visit throughout the state using the same method that has been successfully used in the Pennsylvania program for 18 years. Each form will have a telephone number that clients can call to register a complaint about any services provided to them at the vendor service provider level to Real Alternatives. Complaint calls are followed up by Executive Staff.

Real Alternatives will use the RAPID Online Data Collection, Billing, and Reporting Systems software to receive monthly billing from the service providers; process the demographic, billing, and performance data; and submit the services bill to the ISDH for reimbursement along with administrative and outreach costs. Once reimbursement occurs from ISDH then Real Alternatives will reimburse the vendor service providers.

Charitable Choice Act – Faith-Based Organization Policy

Real Alternatives will implement the present RAPID faith-based policy currently being used in Pennsylvania, Michigan, and Indiana. A faith-based service provider that includes among its activities worship, religious instruction, proselytization or other inherently religious programs cannot be funded for those activities under the Indiana Pregnancy and Parenting Support Services Program. Reimbursement is prohibited for worship services, bible study, prayer meetings, prayer with a client during the program visit, or any form of proselytization.

If a vendor service provider does engage in such activities with a client in the pregnancy and parenting support program, those activities must occur separately, in time or location, from services provided pursuant to the contract with Real Alternatives. By the way of example of what may constitute separateness in place, if a vendor service provider occupies a building with a single entrance and provides counseling in one of its rooms, it may, with a signed request from a client, immediately after program counseling,

engage in spiritual or religious activity with the client in a separate room in the building, with a different spiritual or religious counselor – a person other than the one who provided service under the contract.

An example of separation in time would permit a different spiritual counselor to meet with a client, if the client signs a request, after the counselor providing client services under the Indiana Pregnancy and Parenting Support Services Program, leaves the room.

Participation in religious/spiritual activities by a client must be voluntary, and the client must understand that refusal to participate in religious activities will not disqualify her from receiving services under the program. An approved request form must be provided to the client before any such religious activity occurs to assure that voluntary, informed consent is provided by the client.

A vendor service provider under the contract may retain religious terms in its organization name, select its board members on a religious basis and include religious references in its organization's mission statements and other governing documents. It cannot, however, include any religious activity or program with client services and must certify to Real Alternatives that it complies with its contract requirements.

Program Administration Services

Real Alternatives will provide the following program coordination services: seek out, approve and sign contracts with qualified vendor service providers to deliver core services to clients; train approved vendor service providers in program requirements; ensure that only program trained and approved counselors submit for reimbursement under the program; conduct annual on-site and remote monitoring of the vendor service providers to ensure program compliance; conduct annual education material purchase for clients; conduct annual professional education conference for program counselors; conduct statewide program advertising; provide to ISDH monthly financial reports of expenses and reimbursement requests for the next quarter's services; provide quarterly reports of statewide vendor service provider performance to ISDH including clients served and total visits by age and by county, as well as hotline referrals and patches by age and by county.

ASSUMPTIONS

This work plan is based on the assumption that ISDH will continue to promptly reimburse Real Alternatives monthly for program services expenses that have occurred.

Exhibit 1

“The Indiana Abortion Choice Percentage” is calculated by taking the Total IN Resident abortions and dividing that number by the sum of the Total IN Resident Abortions and Total IN Resident Live Births. All figures used to track this outcome are obtained from the *Indiana Health Statistics*, the Indiana State Department of Health website. The Abortion Choice Percentage represents the percentage of women who chose to undergo abortions out of the total population of women who could. General program impact can be measured because pregnant women who receive support and encouragement through alternative to abortion services are empowered to choose childbirth rather than abortion.
